

EASY AUDIT CYPRUS ASSURANCE - TAX - ADVISORY

Your Trusted personalized audit, tax and financial advisory accountancy firm

Efficient Audit - related Services | Reliable Tax Consultants | Trusted Financial Advisors

Benefits of working with Easy Audit CY:

You may be a small to medium size business, eager to grow further. You want that growth to be based on sound financials, an effective control environment and regulatory compliant business practices.

With **Alexandros Prodromou, Fellow Chartered Accountant**, you will get that and even more, from an experienced professional who understands your industry sector.

Mr. Alexandros Prodromou, a new generation specialist, brings to his business more than two decades' extensive experience in audit & assurance, as well as in personal and corporate tax, and business advisory.

What we really pride ourselves on is giving your business the time and effort it deserves. We deliver this commitment to quality through the provision of the best mix of talent and innovation for each task. We offer everything one would expect from a great accountancy firm.
